Bar Tab

By setting a bar tab for your function this also you to stay within budget whilst also offering a wide selection of drinks for your function.

At the start of the function you will be introduced to a member of the Hooks team who will be responsible for ensuring your function runs smoothly, they will also communicate to you throughout the function so you know when you are reaching the end of your tab.

The team at Hooks can set up the bar however you want, so if you would like to have a tab but restrict the selection of drinks available, this can be organised and will need to be confirmed in advance by the organiser.

Pay as you go

Guests will be required to pay for their own drinks as they are consumed.

A full list of drinks and prices is available on request. Hooks @ the Yarra reserves the right to provide comparable wines or beers should there be any changes or limitations of vintages or stock.
